Recognized as one of the top agents in Escondido and one of the top Realtors in San Diego County for 22 years, Cindy Waasdorp joined Prudential California Realty this August. Cindy was the #1 agent for 2003, 2004, 2005 and through the beginning of August 2006 with her previous office. Consistently among the top 50 sales associates with her former company, she ranked #27 in San Diego County for 2006.

"Cindy's strengths are her honesty, dedication to customer service and her expertise and in-depth knowledge of the North County marketplace. Her unique abilities and commitment to clients and the community are evident in everything she does, and it is a privilege to partner with her," says Nyda Jones-Church, CEO of Prudential California Realty. "I have been impressed with her extraordinary success, professionalism and exemplary reputation in the industry."

"Cindy is an extremely well-respected and successful agent," says

David Cabot, San Diego regional manager for Prudential California Realty. "We are thrilled to have her on our team."

A remarkably high percentage of Waasdorp's business comes from past clients, which speaks volumes about her expertise, professionalism and superior level of customer service. Throughout her 22-year career, she has continually earned recognition for her sales production and high level of customer service and satisfaction.

Waasdorp is very involved in her community and serves on the board of directors of the Escondido Humane Society. She recently completed two terms on the board of the Escondido Chamber of Commerce. Her generous donations to those and other organizations are only a few examples of her philanthropic contributions. She has also represented her district and chaired for the local government relations committee of the North San Diego County Association of Realtors.
