Waasdorp earns top achievement awards

Cindy Waasdorp recently received the Chairman's Circle Gold Award, which places her in the top two percent of Prudential agents nationwide for 2008. David Cabot, Broker of Record for

Cindy Waasdorp

Prudential California Realty, presented the award. Waasdorp ranked among the Top 10 Prudential

individuals in San Diego County for her sales production in 2008.

Waasdorp also was recently featured in San Diego Magazine as a 2009 winner of the 2009 Five Star Best in Client Satisfaction Award, which she is especially proud of, because it is based on positive feedback from her clients, as well as from professionals in related fields. Waasdorp is celebrating her 25th year in real estate — a successful career that has consistently placed her among the best in real estate.

"We are proud to have Cindy on our team," said Cliff Helbock, branch manager of the Escondido office. "Not only is she respected as an agent, but she is also very active philanthropically in her community."
